

Please use the panel below to start your fundraising today!

It's so easy! Simply cut out the panel along the dotted lines. Then cut along the orange dotted lines to create tear strips, leaving them attached at the top. Fill in the blanks and display in a prominent place at work, at school or wherever people you know will see it.

Now you're on the way to raising funds that will create a world free of Multiple Sclerosis.

bike to  
create a world  
free of MS

MS stops people from  
moving.

To make sure it doesn't,  
I registered for the Bike  
MS.

Please join the  
movement by making a  
tax deductible donation.
